

# Stage 1, Phase 4 (October 2015 - July 2016)

## Bike Lane Detour

Bike lane on eastbound Parkway outer lanes will also follow the detour.  
**Share the road!**

BEN FRANKLIN PARKWAY

21st STREET

WINTER STREET (EASTBOUND ONLY)

20th STREET

## Westbound Parkway

Heading west out of Logan Circle, the Parkway is reduced to two inner lanes as it crosses 20th Street, and it follows the relocated roadway to tie into the westbound inner lanes prior to reaching 21st Street, where a third westbound lane returns.

VINE STREET

CONSTRUCTION ZONE

## Eastbound Parkway Outer Lanes

The Parkway's eastbound outer lanes are closed at 21st Street. Drivers are detoured south on 21st Street. From there, drivers may continue on 21st Street or turn left on Winter Street to return to the Parkway at 20th Street.

## Eastbound Parkway Inner Lanes

The Parkway's eastbound inner lanes are reduced from three lanes to two approaching 21st Street. A temporary traffic pattern then shifts the inner lanes to the right where they join with Winter Street prior to 20th Street. Three eastbound lanes continue across 20th Street onto Logan Circle.

Logan Circle
